### About Primo Ceramic Grills

**Primo is the Only Ceramic Grill Made in the USA.** 4 out of 5 Americans prefer products made in the USA\*, so it's easy to see why Primo is one of the most popular grills over its imported counterparts.

**Patented Oval Design.** The unique oval shape offers exceptional cooking efficiency and true two-zone cooking. Two distinct cooking zones allows you to grill and roast simultaneously. Round ceramic grill companies can make the claim, but Primo is the only one that delivers.

**Grill, Bake, Roast, or Smoke All on the Same "Grill".** Primo ceramic grills work like a grill, an oven, a roaster, and a smoker. Simply choose a cooking configuration to meet your needs and cook any recipe...from steaks to bread to beef brisket.

**Primo Offers Amazing Flavor.** The combination of the ceramic shell and 100% natural lump charcoal creates juicier food and true wood-fired flavor. Enjoy mouthwatering and delicious food that gas and metal grills just can't offer.
